

*The* PROSTITUTION MYTH

***If a woman  
chooses  
to sell  
her body  
that's her  
business.***

*The* UGLY TRUTH

***Prostitution is rarely a choice.***

Most prostituted people entered the sex trade while still in their teens, after fleeing abusive homes. They're coerced by pimps and johns who too often abuse them. Without economic support, breaking free is more difficult than you might think.
